Innovation Management Double Degree (must pair with a non-business primary major)
Design & Innovation Management
   Apparel Design  Interior Design  Design Management
Merchandising Management

**College of Earth, Ocean, & Atmospheric Sciences**
(Wilkinson Hall 104, 541-737-2101)
Earth Sciences
   Climate Science  Ocean Science  Geology
Environmental Sciences
   Numerous Interdisciplinary options – see:
   http://coeros.oregonstate.edu/envsci/specializations/
Geography & Geospatial Science

**College of Education**
(Furman Hall 104, 541-737-4661)
The College of Education offers a unique Double Degree Program that allows OSU students to supplement their primary degree program with a second bachelor’s degree in Education. Double Degree students are eligible for a license to teach upon graduation. Students interested in becoming K-12 teachers should attend a “How to Become a Teacher” info session: Monday/Tuesday from 10-11am in Furman Hall.

**College of Engineering**
(Johnson Hall 114, 541-737-5236)
Ecological Engineering
   Nuclear Engineering  Radiation Health Physics
Bioengineering  Chemical Engineering
Environmental Engineering
Civil Engineering
Construction Engineering Management
Computer Science
   Computer Systems  Applied
   Electrical & Computer Engineering
   Energy Systems Engineering (OSU Cascades)
   Industrial Engineering
   Manufacturing Engineering
   Mechanical Engineering
   General Engineering (for First-Year Students)

**College of Forestry**
(4th Floor Snell Hall, 541-737-1592)
Forestry Engineering
Forest Engineering/Civil Engineering
Forestry
   Forest Restoration  Fire  Forest Management
   Forest Operations Management
Natural Resources
   Numerous Interdisciplinary options – see:
   http://fes.forestry.oregonstate.edu/undergraduate-programs/natural-resources

**Renewable Materials**
   Art & Design  Marketing & Management
   Science & Engineering
Tourism, Recreation, & Adventure Leadership
   Outdoor Recreation Management (Corvallis)
   Sustainable Tourism Management (Corvallis)
   Nature, Eco, and Adventure Tourism (Cascades)
   Adventure Leadership Education (Cascades)

**College of Liberal Arts**
(Bexell 214, 541-737-0561)
Liberal Studies
   Pre-Education & numerous other possibilities – see
   liberalarts.oregonstate.edu/advising/liberal-studies

**CLA School of Art & Communication**
Art & Applied Visual Arts
   Art History  Fine Arts  Photography
Music
   Music Production  Music Education
   Instrumental Performance  Piano Performance  Vocal
Digital Communication Arts
   Media Production
   Graphic Design
   Speech Communication
   Communication  Theater Arts

**CLA School of History, Philosophy, & Religion**
History  Philosophy  Religious Studies

**CLA School of Language, Culture, & Society**
Anthropology
   Archaeology  Biocultural Anthropology
   Cultural/Linguistic Anthropology  General Anthropology
French  German  Spanish  Ethnic Studies
Women, Gender, & Sexuality Studies

**CLA School of Public Policy**
Economics
   Managerial Economics  Mathematical Economics
   Law, Economics & Policy
Sociology
   Crime & Justice Studies  Environmental & Natural Resources Sociology
Political Science
   Environmental and Energy Politics  Law and Politics

**CLA School of Psychological Science**
Psychology

**CLA School of Writing, Literature, & Film**
English

More Colleges & Majors
University Exploratory Studies Program (UESP)
(Waldo Hall 102, 541-737-8144)
New and current OSU students have the option of being undeclared while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect upon university experiences as they relate to major options at OSU. UESP does not grant degrees but can be a temporary academic home for students until they are ready to declare a major.

*Pre-Medical Studies at OSU
Students wishing to become physicians (M.D. or D.O.) can complete an undergraduate degree in any field of study, but they must take and finish certain required science and liberal arts courses as undergraduates prior to applying to medical school. Med schools accept students from diverse academic backgrounds, but admission is competitive. Pre-med students might choose from majors in the colleges of Science (Biochemistry/Biophysics, Biology, Chemistry, Microbiology), Engineering (Bioengineering, Chemical Engineering, Radiation Health Physics), Public Health and Human Sciences (Nutrition & Exercise Science, Public Health, Human Development & Family Sciences), Agricultural Science (BioResource Research), or Liberal Arts (English, Psychology, Philosophy, Spanish).

*Pre-Pharmacy at OSU
As with Pre-Med, students interested in becoming pharmacists (Pharm.D.) can pursue an undergraduate major as long as they meet the necessary prerequisites for Pharmacy School (which is also very competitive). OSU undergrads are lucky in that there is great College of Pharmacy right here on campus where they can get more information about becoming a pharmacist.

*Pre-Nursing at OSU
While OSU does not offer a BSN (Bachelor of Science in Nursing), there are ways that students can prepare themselves for such a path at OSU. In the past, students sometimes simply pursued prerequisite work at OSU before transferring elsewhere to finish the BSN. However, due to the highly competitive nature of nursing programs and the related job market, it has become much more common for students to complete a bachelor's degree at OSU before attempting to join a nursing program. This avenue honors the students' nursing interest, while also preparing the student for options and opportunities outside of nursing. Majors in the Colleges of Public Health & Human Sciences and the College of Liberal Arts are common choices for fit with this interest. Students might also pursue a major in the College of Science, but will not find "pre-nursing" listed amongst the options.
