

## **OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses**

*Options within specific majors listed in italics*

### **College of Agricultural Sciences**

*(Strand Hall 147, 541-737-2211)*

Agricultural Business Management

Agricultural Sciences

Animal Sciences

*Animal Behavior Animal Production*

*Animal BioHealth/Pre Professional Equine*

*Rangeland Science*

BioResource Research

*Numerous Interdisciplinary options - see:*

<http://agsci.oregonstate.edu/brr/students/options>

Botany

Crop & Soil Science

*Agronomy Plant Breeding & Genetics Soil Science*

Environmental Economics & Policy

Fisheries and Wildlife Sciences

Food Science & Technology

*Food Science Fermentation Science*

*Enology & Viticulture*

Horticulture

*Ecological Landscapes & Urban Forestry*

*Ecological & Sustainable Horticultural Production*

*Viticulture & Enology Turf Management*

*Therapeutic Horticulture Horticultural Research*

*Plant Breeding & Genetics*

*General Horticulture (Ecampus only)*

Rangeland Sciences

Sustainability Double Degree (supplementary degree that can be paired with any primary major)

### **College of Business**

*(Austin Hall 122, 541-737-3716)*

Accountancy

*Accounting Information Systems*

Business Administration

*Entrepreneurship*

*General Business (Cascades and Ecampus only)*

Business Information Systems

Interior Design

Finance

Management

Marketing

Merchandising Management/Apparel Design

*International Business can be added as an option to any College of Business major listed above*

Innovation Management Double Degree (must be paired with a primary non-business major)

### **College of Earth, Ocean, & Atmospheric Sciences**

*(Wilkinson Hall 104, 541-737-1201)*

Earth Sciences

*Climate Science Ocean Science*

*Geology*

Environmental Sciences

*Numerous Interdisciplinary options - see:*

<http://ceoas.oregonstate.edu/envsci/specializations/>

Geography & Geospatial Science

### **College of Education**

*(Furman Hall 104, 541-737-4661)*

The College of Education offers a unique *Double Degree Program* that allows OSU students to supplement their primary degree program with a second bachelor's degree in Education. Double Degree students are eligible for a license to teach upon graduation. Students interested in becoming K-12 teachers should attend a "How to Become a Teacher" info session in their first few terms at OSU.

Also see: <http://education.oregonstate.edu/double-degree>

### **College of Engineering**

*(Johnson Hall 114, 541-737-5236)*

Ecological Engineering

Nuclear Engineering Radiation Health Physics

Bioengineering Chemical Engineering

Environmental Engineering

Civil Engineering

Construction Engineering Management

Computer Science

*Computer Systems Applied*

Electrical & Computer Engineering

Energy Systems Engineering (*OSU Cascades major, but first two years can be completed in Corvallis*)

Industrial Engineering

Manufacturing Engineering

Mechanical Engineering

General Engineering (*for First-Year Students*)

### **College of Forestry**

*(4<sup>th</sup> Floor Snell Hall, 541-737-1592)*

Forest Engineering

Forest Engineering/Civil Engineering

Forestry

*Forest Landscape Processes & Management*

*Forest Management Forest Operations*

*Management*

Recreation Resource Management

*Cultural Resource Management Law Enforcement*

*Environmental Resource Interpretation Public Policy*

*Resource Planning*

List subject to change - Please consult OSU's online catalog for most up-to-date information: <http://catalog.oregonstate.edu/>

### **College of Forestry** continued

Natural Resources

*Numerous Interdisciplinary options - see:*

<http://fes.forestry.oregonstate.edu/undergraduate-programs/natural-resources>

Renewable Materials

*Art & Design Marketing & Management*

*Science & Engineering*

Tourism & Outdoor Leadership (*Cascades Campus Only*)

### **College of Liberal Arts**

*(Bexell 214, 541-737-0561)*

Liberal Studies

*Pre-Education & numerous other possibilities - see*

[http://oregonstate.edu/cla/liberal\\_studies/](http://oregonstate.edu/cla/liberal_studies/)

### **CLA School of Art & Communication**

Art & Applied Visual Arts

*Art History Fine Arts Photography*

Music

*Music Production Music Education*

*Instrumental Performance Piano Performance Vocal*

Digital Communication Arts

*Media Production*

Graphic Design

Speech Communication

*Communication Theater Arts*

### **CLA School of History, Philosophy, & Religion**

History Philosophy Religious Studies

### **CLA School of Language, Culture, & Society**

Anthropology

*Archaeology Biocultural Anthropology*

*Cultural/Linguistic Anthropology*

*General Anthropology*

French German

Spanish

Ethnic Studies

Women, Gender, & Sexuality Studies

### **CLA School of Public Policy**

Economics

*Managerial Economics Mathematical Economics*

*Law, Economics & Policy*

Sociology

*Crime & Justice Studies*

*Environmental & Natural Resources Sociology*

Political Science

*Environmental and Energy Politics*

*International Affairs Law and Politics*

### **CLA School of Psychological Science**

Psychology

### **CLA School of Writing, Literature, & Film**

English

*Options within specific majors listed in italics*

**College of Public Health & Human Sciences**

*(Women's Building 105, 541-737-8900)*

**PHHS School of Social & Behavioral Health Sciences**

Public Health

*Health Management & Policy*

*Health Promotion & Health Behavior*

Human Development and Family Sciences

*Child Development*

*Human Services*

*General Option*

**PHHS School of Biological & Population Health Sciences**

Kinesiology

*Pre-Therapy & Allied Health*

Nutrition

*Dietetics*

*Nutrition Health Science*

*Nutrition & Foodservice Systems*

**College of Science**

*(Kidder Hall 128, 541-737-4811)*

Chemistry

*Advanced Biochemistry Advanced Chemistry*

*Biochemistry Business Chemical Engineering*

*Chemistry Education Environmental Chemistry*

*Forensic Science Materials Science*

*Pre-Medicine/Chemistry*

Mathematics

BioHealth Sciences (Pre-professional Programs)

*Clinical Lab Science Dentistry Optometry*

**\*Pharmacy** *Physical Therapy Physician Assistant*

*Podiatry*

Biology

*Genetics Marine Biology Ecology*

*Pre-Medicine/Biology Pre-Dentistry/Biology*

*Pre-Education/Biology Pre-Veterinary/Biology*

Microbiology

*Pre-Medicine/Microbiology*

Zoology

**University Exploratory Studies Program (UESP)**

*(Waldo Hall 102, 541-737-8144)*

New and current OSU students have the option of being **undeclared** while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect upon university experiences as they relate to major options at OSU. UESP does not grant degrees but can be a temporary academic home for students until they are ready to declare a major.

**\*Pre-Medical Studies at OSU**

Students wishing to become physicians (M.D. or D.O.) can complete an undergraduate degree in any field of study, but they must take and finish certain required science and liberal arts courses as undergraduates prior to applying to medical school. Med schools accept students from diverse academic backgrounds, but admission is competitive. Pre-med students might choose from majors in the colleges of **Science** (Biochemistry/Biophysics, Biology, Chemistry, Microbiology), **Engineering** (Bioengineering, Chemical Engineering, Radiation Health Physics), **Public Health and Human Sciences** (Nutrition & Exercise Science, Public Health, Human Development & Family Sciences), **Agricultural Science** (BioResource Research), or **Liberal Arts** (English, Psychology, Philosophy, Spanish).

**\*Pre-Pharmacy at OSU**

As with Pre-Med, students interested in becoming pharmacists (Pharm.D.) can pursue any undergraduate major as long as they meet the necessary prerequisites for Pharmacy School (which is also very competitive). OSU undergrads are lucky in that there is great College of Pharmacy right here on campus where they can get more information about becoming a pharmacist.

**\*Pre-Nursing at OSU**

While OSU does not offer a BSN (Bachelor of Science in Nursing), there are ways that students can prepare themselves for such a path at OSU. In the past, students sometimes simply pursued prerequisite work at OSU before transferring elsewhere to finish the BSN. However, due to the highly competitive nature of nursing programs and the related job market, it has become much more common for students to complete a bachelor's degree at OSU before attempting to join a nursing program. This avenue honors the students' nursing interest, while also preparing the student for options and opportunities outside of nursing. Majors in the Colleges of Public Health & Human Sciences and the College of Liberal Arts are common choices for fit with this interest. Students might also pursue a major in the College of Science, but will not find "pre-nursing" listed amongst the options.

**International Degree**

*(University Plaza 130, 541-737-5223)*

The International Degree (ID) allows interested undergraduate students the opportunity to explore the international dimensions of their primary degree by adding a second bachelor's in International Studies in their chosen field. There are four major components to a Bachelor of Arts in International Studies from OSU: ID students complete 32 credits in addition to their primary degree. These credits include study, work, or research overseas; fourth year college level proficiency in a second language; four ID core courses; and a senior thesis that allows the student to explore the global dimensions of his/her field of study. The International Degree is not currently accepting new students, but for more information, please contact the number listed above

**Oregon State University Honors College**

*(Learning Innovation Center 450, 541-737-6414)*

The Honors College (HC) gives talented students a chance to enrich their OSU education through challenging curricula, personal attention, and enhanced learning experiences. The HC offers small classes taught by OSU's finest faculty, specifically selected for their teaching abilities. Through seminars, colloquia, and their own thesis research, students enjoy the benefits of a small college within a large, diverse, and comprehensive university. Students enrolled in the HC can pursue any of OSU's undergraduate majors. Students who complete the requirements of the HC receive OSU's most prestigious undergraduate academic recognition: an honors baccalaureate degree in their major, jointly awarded by the HC and the college that houses their primary major. Admission is competitive – only a small percentage of all entering students join the Honors College and space is limited. Admissions decisions are based on GPA, SAT or ACT score, and an essay response. High school applicants must have a min. cumulative un-weighted GPA of 3.75 GPA or a score of 1300 (new) SAT (1820 SATs prior March 2016) or ACT=27 for consideration by either the Nov. 1 or Feb. 1 deadline. Transfer Students and current OSU students with a minimum 3.5 college GPA may also apply by the March 15 deadline.
