OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses
Options within specific majors listed in italics

College of Agricultural Sciences
(Strand Hall 147, 541-737-2211)
Agricultural Sciences
Animal Sciences
Animal Behavior Animal Production
Animal BioHealth/Pre Professional Equine
Rangeland Science
BioResource Research
Numerous Interdisciplinary options - see:
http://agsci.oregonstate.edu/brr/students/options
Botany
Crop & Soil Science
Agronomy Plant Breeding & Genetics Soil Science
Environmental Economics & Policy
Fisheries and Wildlife Sciences
Food Science & Technology
Food Science Fermentation Science
Enology Viticulture
Horticulture
Ecological Landscapes & Urban Forestry
Ecological & Sustainable Horticultural Production
Viticulture Enology Turf Management
Therapeutic Horticulture Horticultural Research
Plant Breeding Genetics
General Horticulture (Ecampus only)
Rangeland Sciences
Sustainability Double Degree (supplementary degree that can be paired with any primary major)

College of Business
(Austin Hall 122, 541-737-3716)
Accountancy
Accounting Information Systems
Business Administration
Entrepreneurship
Supply Chain & Logistics Management
Merchandising Management
General Business (Cascades and Ecampus only)
Business Information Systems
Finance
Management
Marketing
International Business can be added as an option to any of the business majors listed above
Innovation Management Double Degree (must pair with a non-business primary major)
Design & Innovation Management
Apparel Design
Interior Design
Design Management

College of Education
(Furman Hall 104, 541-737-4661)
The College of Education offers a unique Double Degree Program that allows OSU students to supplement their primary degree program with a second bachelor's degree in Education. Double Degree students are eligible for a license to teach upon graduation. Students interested in becoming K-12 teachers should attend a "How to Become a Teacher" info session in their first few terms at OSU. Also see:
http://education.oregonstate.edu/double-degree
CLA School of History, Philosophy, & Religion
History Philosophy Religious Studies
CLA School of Language, Culture, & Society
Anthropology Archaeology Biocultural Anthropology Cultural/Linguistic Anthropology General Anthropology
French German Spanish
Ethnic Studies
Women, Gender, & Sexuality Studies
CLA School of Public Policy
Economics Managerial Economics Mathematical Economics Law, Economics & Policy
Sociology Crime & Justice Studies Environmental & Natural Resources Sociology Political Science Environmental and Energy Politics International Affairs Law and Politics
CLA School of Psychological Science
Psychology
CLA School of Writing, Literature, & Film
English

**OSU Colleges & Majors: Head Advising Office Location and Phone in Parentheses**

**Options within specific majors listed in italics**

**College of Public Health & Human Sciences**
*(Women’s Building 105, 541-737-8900)*

**PHHS School of Social & Behavioral Health Sciences**
Public Health
  * Health Management & Policy
  * Health Promotion & Health Behavior

Human Development and Family Sciences
  * Child Development
  * Human Services
  * General Option

**PHHS School of Biological & Population Health Sciences**
Kinesiology
  * Pre-Therapy & Allied Health
Nutrition
  * Dietetics
  * Nutrition Health Science
  * Nutrition & Foodservice Systems

**College of Science**
*(Kidder Hall 109, 541-737-3854)*

Chemistry
  * Advanced Biochemistry
  * Advanced Chemistry
  * Biochemistry
  * Business
  * Chemical Engineering

Chemistry Education
  * Environmental Chemistry

Forensic Science
  * Materials Science

Pre-Medicine/Chemistry

Mathematics
  * Secondary Teaching Emphasis
  * Statistics
  * Applied and Computational Mathematics

Mathematical Biology

Physics
  * Applied
  * Biological
  * Chemical
  * Computational
  * Geophysics
  * Mathematical
  * Optical Education

**COS School of Life Science**

Biochemistry/Biophysics

Biochemistry & Molecular Biology
  * Advanced Molecular Biology
  * Pre-Medicine
  * Computational Molecular Biology

BioHealth Sciences (Pre-professional Programs)
  * Clinical Lab Science
  * Dentistry
  * Optometry

*Pharmacy* (Physician Assistant)
  * Physical Therapy
  * Pre-Medicine

Biological Science
  * Genetics
  * Marine Biology
  * Ecology

Pre-Medicine/Biology
  * Pre-Dentistry/Biology

Pre-Education/Biology
  * Pre-Veterinary/Biology

Microbiology
  * Pre-Medicine/Microbiology

Aquatic Microbiology

Zoology

**University Exploratory Studies Program (UESP)**
*(Waldo Hall 102, 541-737-8144)*

New and current OSU students have the option of being **undeclared** while they explore possible majors. UESP advisors help students to clarify interests, values, and abilities and to reflect upon university experiences as they relate to major options at OSU. UESP does not grant degrees but can be a temporary academic home for students until they are ready to declare a major.

**Pre-Medical Studies at OSU**
Students wishing to become physicians (M.D. or D.O.) can **complete an undergraduate degree in any field of study**, but they must take and finish certain required science and liberal arts courses as undergraduates prior to applying to medical school. Med schools accept students from diverse academic backgrounds, but admission is competitive. Pre-med students might choose from majors in the colleges of Science (Biochemistry/Biophysics, Biology, Chemistry, Microbiology), **Engineering** (Bioengineering, Chemical Engineering, Radiation Health Physics), **Public Health and Human Sciences** (Nutrition & Exercise Science, Public Health, Human Development & Family Sciences), **Agricultural Science** (BioResource Research), or **Liberal Arts** (English, Psychology, Philosophy, Spanish).

**Pre-Pharmacy at OSU**
As with Pre-Med, students interested in becoming pharmacists (Pharm.D.) can **pursue any undergraduate major** as long as they meet the necessary prerequisites for Pharmacy School (which is also very competitive). OSU undergrads are lucky in that there is great College of Pharmacy right here on campus where they can get more information about becoming a pharmacist.

**Pre-Nursing at OSU**
While OSU does not offer a BSN (Bachelor of Science in Nursing), there are ways that students can prepare themselves for such a path at OSU. In the past, students sometimes simply pursued prerequisite work at OSU before transferring elsewhere to finish the BSN. However, due to the highly competitive nature of nursing programs and the related job market, it has become much more common for students to complete a bachelor's degree at OSU before attempting to join a nursing program. This avenue honors the students’ nursing interest, while also preparing the student for options and opportunities outside of nursing. Majors in the Colleges of Public Health & Human Sciences and the College of Liberal Arts are common choices for fit with this interest. Students might also pursue a major in the College of Science, but will not find “pre-nursing” listed amongst the options.

**International Degree**
*(Bexell 214, 541-737-0561)*
The International Degree (ID) allows interested undergraduate students the opportunity to explore the international dimensions of their education. The International Degree is not currently accepting new students at this time. For more information, please contact the number listed above.

**Oregon State University Honors College**
*(Learning Innovation Center 450, 541-737-6414)*
The Honors College (HC) gives talented students a chance to enrich their OSU education through challenging curricula, personal attention, and enhanced learning experiences. The HC offers small classes taught by OSU’s finest faculty, specifically selected for their teaching abilities. Through seminars, colloquia, and their own thesis research, students enjoy the benefits of a small college within a large, diverse, and comprehensive university. Students enrolled in the HC can pursue any of OSU’s undergraduate majors. Students who complete the requirements of the HC receive OSU’s most prestigious undergraduate academic recognition: an honors baccalaureate degree in their major, jointly awarded by the HC and the college that houses their primary major. Admission is competitive – only a small percentage of all entering students join the Honors College and space is limited. Admissions decisions are based on GPA, SAT or ACT score, and an essay response. High school applicants must have a minimum 3.5 cumulative un-weighted GPA of 3.75 GPA or a score of 1300 (new) SAT (1820 SATs prior March 2016) or ACT=27 for consideration by either the Nov. 1 or Feb. 1 deadline. Transfer Students and current OSU students with a minimum 3.5 college GPA may also apply by the March 15 deadline.
